Summer Workshops at Bayit Vegan, Jerusalem

We have concluded the summer workshops. We had a wonderful time and hope that all the participants enjoyed the workshops, the evening programs, and just being together. We hope to increase the number of the participants and would appreciate feedback, comments, and suggestions to enable us to prepare better for the workshops next year.

A Day Trip to the South 31/10/19

.We will be traveling in the KIryat Gat area

Beta Israel Village: a copy of a traditional Jewish Ethiopian village where we will learn about traditions and customs, and the heroic story of the aliyah of Ethiopian

.Jewry. A vegetarian kosher lunch is included

Srigim: The shoe workshop of Einat and Stephan Kedmi

Beit Nir: The Shek Musuem where we will learn about and see the works of one of the founders of the kibbutz and about his art

Beit Nir: The basket weaving workshop of Herzl Auster

.The cost for the trip including lunch is 130 IS for members and 250 IS for nonmembers

.The gathering points will be decided depending on registration

Payment will be in advance by bank transfer. We will not receive payment on the day of the trip

Registration by email or by telephone to Rachel: 052-2261772 or Smadar: 054:8090222

Payments

The Israel postal service is so slow and inefficient that checks sent by mail either don't arrive or arrive extremely late. In order to avoid all kinds of problems and misunderstandings, we request that all payments be made by bank transfers. Even those that find this difficult to do by computer can go to the bank and do so with the aid of the bank clerks

For this class you will learn how to make a wonky log cabin blocks using the rainbow effect to make the quilt “color dance”. In the pattern is the color key and finishing instructions to add the gray border and rows of piano keys.

For this quilt you will need a variety of colors : yellow, orange, red, purple, blue and green. This is a great way to use up scraps. Don't worry about sizes , just gather as many variations as possible of these colors. Prints, stripes, solids, bring what you have! Small pieces too.

We will begin in the upper left corner of the quilt and in class we'll concentrate on yellow , orange and red, so be sure to have at least a good variety of those 3 colors.

Here is the order of the full array of colors inside the quilt , going from upper left corner down to bottom right corner.: Yellow, orange, red, purple, blue, green and back to yellow.

In addition , please bring:

- A sewing machine in good working order
- A neutral color thread (I like grey)
- Sewing kit : Scissors, seam ripper, pins, etc.
- Rotary mat and rotary cutter with sharp blades.
- A Ruler, at least 12” long
- Marking tools for darks and light fabrics (Chalk, disappearing pen)
- 10” window : it is very helpful to have a window to audition your finished 10” block. Take a 14” square piece of thin cardboard or thick paper and mark 2” border around it with a pencil. Using a knife or paper scissors, cut out the inside 10” square.
- Handout and pattern !0\$.

Material Matrix Class: “Wake Up Cup”

The following is a photograph from the latest issue of SAQA Journal of Sandra's artwork using the same technique she will be teaching.

:Supply list of the workshop

- Sewing machine in good working order with a 1/4 foot"
- Rotary cutter and mat with a sharp blade
- Ruler for cutting 2.5" squares, any length
- The photo with a grid
- A neutral color thread
- Sewing kit : Scissors, seam ripper etc.
- Pens and pencils for marking light and dark fabric,
- A stack of 3" post- it for isolated squares in the photo
- A piece of cardboard approx. 12"X12" to arrange your squares on and transport to the ironing board.

- Paper and pen if you like to take notes
- take notes
- Fabric: with the photo I have supplied, you will need to begin collecting pieces for class. You will need pieces in small amounts to interpret your photo: fat quarters, 1/8 yard cuts, even scraps. You want a range of values within each color as far as the photo dictates. Please include prints, Ombres, stripes, and polka-dots are good too. **Please do not cut any fabric before class** . When sharing with each other we will have a nicer variety. For this piece you will need the following colors: white, grey, green, purple and small amount of brown. You will notice in my sample that I took some liberties in the intensity of my purples and greens. Artistic license at work. You may bring Jelly rolls and other 2.5” stripes if you have them. Just know that you will need bigger pieces too, most of the time.
- Pattern 3\$.
