Newsletter July 2020

We are delighted to meet again through our newsletter. We hope that all of you are in good health. We are longing to return carefully to our activities along with and in the framework of the Health Ministry guidelines.

[“ These are My Favorite Things” Exhibition on our Website](#)

We are happy to inform you that we are negotiating with a gallery to exhibit the quilts that will be exhibited on our website. If everything works out, we will exhibit the quilts at the Arena Gallery in Hertzlia, beginning 14.10.2020.

The quilts entered will not be judged. The last date for uploading your quilts is 15.8.2020. If you need help in the uploading process, please contact **Nitza Waldman**, who runs our website , and will be glad to help you. Please call her **052-3676458**.

[The Annual Exhibition in Jerusalem Theatre](#)

Hopefully our annual exhibition will take place at the Jerusalem Theater from the middle of December, 2020 until the middle of January, 2021.

This year we have a new idea.

We would like to involve our members in the decision of the topic of the exhibition. We have a few suggestions. We would like to know your opinion of these suggestions and would be pleased if you have others. Please send us your opinion in the next two weeks.

These are the possibilities we thought of:

1. The root of the word alone , lonely, loneliness: בודד
2. Fabric and more; the use of fabric and other materials in your quilt
3. Time and Space
4. Connections
5. Distance and distancing
6. The Coronavirus Routine
7. Home Alone

We will need three volunteers to judge the exhibit. All the judges this year will be the appointed by the Association.

[The Annual Members' Assembly](#)

Our plan is to hold the annual assembly on October 14, 2020 with the opening the exhibit at the Arena Gallery. It is a big open space and hopefully the regulations at the time will allow us to do so. More details will be forth coming closer to the date of the meeting.
