## Newsletter October 2020

Dear Members

We are going through challenging, frustrating, and difficult times. All of our programs and plans have been set aside due to the lockdowns and constant uncertainty. Even so, we are doing our very best to maintain contact with our members and to think of and plan future activities.

**We request again that you share and post your creations on our Facebook page.** All of the members can then enjoy your artworks.

“These Are A Few Of My Favorite Things” Exhibition .

Last month, we informed you that the exhibition will be exhibited in the gallery of the Arena shopping center in Herzliya in November, 2020.

We can't be sure now of the opening date. If, due to restrictions, we can't open the exhibition in November, we will do so later on. **Please remember that participation in this exhibition is free of charge and, without judgement.** Quilts can be entered for our virtual exhibition until the end of October, according to the specifications of the call to entry that has already been sent. If you find it difficult to upload your artworks on our website, email us for help.

We are beginning to gather the artworks. They can be brought , when it will be possible ,to the board members or to Hava Katzir's studio and Pissott, when they reopen. Later on, we will inform you of more possibilities.

To our friends in the North: If the situation will allow, Rahel will be in Rosh Pina on 29-30.10.2020. Contact her at 052-2261772. On 1.1.2020, she will gather artworks that have been dropped off at Hasi's Fiber Studio.

Our Annual Exhibition “Alone-including other mediums”.

Enclosed is the call to participate for our annual exhibition for 2021, "Alone". The exhibition will take place in 2021 at the Jerusalem Theater. The exact date hasn't been set, but we do hope it will take place in the summer of 2021.

We have enclosed the call to participate in order that you can start preparing your entry for the exhibition.

### On line Courses and Workshops

We are looking into the possibility of organizing online courses especially for our members and are negotiating with a few teachers.

We request that all of you that want to teach a zoom course that includes 1-3 sessions, for up to 10 participants to contact us.

The courses will be offered to our members at a special price.
